About This Collection

Janet van dyne trades the Marvel Avengers roster for something rawer in these 3D renders. Black hair, yellow skin, wings folded tight, bug eyes catching the light. A Wasp Queen pose here, a tired face and half closed eyes there, missionary framing from a third person view, muscle definition on a body built for more than saving the world. Five sets, sixteen pics in one batch, plus furry AI pieces. View the full gallery through the link above.
