Cool Pink and Black Wallpaper - Best Wallpaper HD.

About This Collection

Pink and black wallpaper built around Blackpink, with Lisa, Jennie, Jisoo and ROSÉ in stylish outfits, one of them in a black sequined top. Collages mix portraits with 4K laptop crops and tumblr lockscreen cuts, alongside fan art from @myrandomfanarts1. Purple lighting spills across some frames. Others keep it simple: the group photo, the Ot4 lockscreen, a WHISTLE edit, the logo in front of pink trees and stars. Browse the full gallery through the link above.
